Valid until 10 June 2021. It is the delegate's responsibility to redeem within that time frame. Non-transferable and cannot be exchanged for cash. Only one credit note can be used per conference booking. Full refunds must be redeemed prior to accepting the credit note - credit notes cannot be used and then refunded at a later date. Credit notes can be used as partial payment for a higher-cost ticket option. If upon redeeming the credit note the cost payable for the conference booking exceeds £395, the delegate will need to pay the difference. No change is given for lower-cost ticket options. Credit notes cannot be redeemed without written confirmation from the person who made the original booking unless exceptional circumstances. In the unlikely event that one of these conferences needs to be cancelled, a new credit note shall be issued.
